

**YOUR STEP TO BECOMING A TOP OFFICIAL- Make plans NOW to attend the DALE KELLEY REFEREE CLINIC**

**DALE R. KELLEY...**

21 year Veteran, Dale Kelley, is the Coordinator of Officials for numerous schools, including such Conferences as The Big 12 Conference, Conference USA and the SunBelt Conference. He has officiated 3 Final Fours and has been in the business of supervising men's basketball officials for more than 19 years. Dale has mastered the art of officiating and now shares his years of experience with you.

**STAFF...**

Train with many of today's elite NCAA officials. Working in conjunction with Dale, NCAA veteran Bob Collins, Supervisor of Officials for the Southland Conference will participate along with other Supervisors of Officials from other Conferences and guest lecturers. Staff and lectures include world renowned officials. Our unsurpassed staff will work with you both on and off the floor to provide the highest quality of training.

**TRAINING ...**

Mornings will be filled with educational skill sessions, lectures, films and videotape replay monitoring. You will have an opportunity to discuss with Supervisors, Camp Staff and fellow officials about philosophy of the game and actual game situations. You will be video taped on the floor and critiqued by the best. Together with top officials you will review your game tapes and have ample opportunity to address any questions. Emphasis is placed on one on one trainings and seminars. Afternoon and evenings are dedicated to campers working games in three man crews.

**EQUIPMENT...**

Each referee should bring an adequate supply of equipment including black and white stripped shirts, black pants, (shorts are acceptable), black referee shoes, whistles, video tapes, etc.

**PHYSICAL CONDITIONING...**

All campers will officiate competitive games and must be in adequate physical condition to work several games per day.
